Subject: Draft Scoping Outline for Donlin Gold Meeting

Greetings everyone!

Thanks for providing me with you comments. Please see below that I have captured your comments adequately. If you have any additional comments, please provide them to me by Noon, Feb 6 (AK Time). Thanks.

For the Cooperating Agency Scoping Meeting, I believe each agency will only have 10 minutes to provide comments, so I will be touching on a few of the comments identified in the document. However, this document will serve as the outline for our formal Scoping comments due to the Corps by March 29.
